

WWW.THEDANCEFX.COM

Dance as a performing art allows students to incorporate group process skills, discipline, responsibility and creative problem-solving into the process of rehearsing, producing and performing. **The Dance FX Studio**, located at **4125 Broadway Blvd. #190 in Garland**, phone **(972) 303-0077**, provides quality dance education focused on the enrichment and development of the whole person. They aspire to help students to grow physically, intellectually and emotionally through dance. From the beginner to the pre-professional – ages 3 to adult – students develop technical proficiency and artistry through active engagement in the theory and practice of dance.

As a complete dance school, **The Dance FX Studio** has classes available for competitive teams, ballet, jazz, tap, modern, creative dance for children, choreography, Hip-Hop, stretch and conditioning, adult dance and conditioning, and Pom/Drill.

Please visit the **Dance FX Studio** today and start having fun learning dance and building new friendships.
